

## Local Rifle Group Gets New Range, Name, Equipment

Word comes from the Sebastopol Outdoorsmen Rifle Club that they are in the process of incorporating. The new name will be The Sebastopol Rifle and Pistol Club.

These weekends find the club members getting together on their free hours and constructing a building of their own on Flynn St. It will be 30 ft. x 80 ft. and serve as an indoor range, with 6 firing points.

Club President Don Rainey, in mentioning the progress that the club has made in the past year and a half, points out the members' participation in various inter-club matches. Many of them have attended smallbore rifle matches in Richmond, Sacramento and Fresno.

Club guns have been obtained for use of members from the Director of Civilian Marksmanship in Washington, D.C. Also, various individuals in the club have contributed target guns, scopes and miscellaneous equipment of their own.

Mr. Rainey mentioned that membership in the club is open to individuals 18 years or older. The only stipulation is that they are already in or will first join the National Rifle Association.

Some of the many educational activities of the Sebastopol club are classes in safe handling of firearms and marksmanship.
